

Classes are designed for all ages and abilities so no need to be nervous. No two lessons are the same as students enjoy experiencing a wide variety of performance skills and styles. We structure the lessons so that each week focuses on the skills of singing, dancing and acting, so each child had the chance to learn and perform something new and exciting.

Kids will learn the basic Musical Theatre skills such as singing, dancing and acting and as a class we will understand the basics to these three subjects in a group to make it more fun and engaging.

These fun and friendly musical theatre classes operate during term time, out of school hours, and run for one hour each week. This term runs for 10 weeks starting from 21<sup>st</sup> January until the 1<sup>st</sup> April school term time only

The term is priced at £40 per child (for key stage 2 children)

To book your child a place please email [enquiries-simplystreet@live.co.uk](mailto:enquiries-simplystreet@live.co.uk)

Please include your child's name, class teacher, your contact number and any medical conditions

A confirmation email will follow once payment has been received
