

Reception Term 6 2018

Dear Parents/Carers,

Welcome back! I hope everyone has had a lovely half-term break. I can't believe we have reached the start of the children's final term in Reception class. The time has flown. The children have chosen their final topic of 'Way up high and down below'. This is so we can look at their interests of dinosaurs, mini-beasts and planes.

Here is a brief overview of some of the learning we will be covering this term.

We will be:

- Getting ready for sports day and practising racing
- Preparing for our Father's Day assembly, Friday 15 June- singing, acting & speaking to an audience
- Learning about ordinal number e.g. 1st 2nd 3rd etc (links nicely with sports day)
- Exploring 3D shapes, weight, capacity, time and measuring
- Continuing phonics - reading and spelling CVCC and CCVC words (e.g. hump & skip) and other words with adjacent consonants (e.g. drink, punch, stand, crisp) within sentences and learning to read and spell the sight words little, one, when, what, some, come
- Learning about the coming of the Holy Spirit at Pentecost and baptism in R.E.
- Helping to settle the new intake of children into Reception by playing with them on their visits to St Francis'
- Taking part in team challenges - providing children with opportunities to work as a small group to complete a given task with each child having a role (good practise for Y1)

- *Getting ready for Year 1. Transition 'moving up' Wednesdays. We will be talking about going to Year 1 in September, what we are looking forward to and what we would like to learn.*

If you have any empty cardboard tubes from kitchen roll or wrapping paper, we would love to have them to make kaleidoscopes.

Many thanks for your continued support,

Miss Bougourd
