

Term 2

Year 5

Mrs Willatts

My Learning Journey: Maths

<u>Objective:</u>	<u>Self-Assessment</u>
I can...	
Multiply and divide numbers mentally	
Multiply and divide whole numbers by 10, 100 and 1000	
Identify multiples and factors	
Find all factor pairs of a number	
Find common factors of two numbers	
Recognise and use square numbers and related notation (x^2)	
Recognise and use cube numbers and related notation (x^3)	
Solve problems involving multiplication and division	
Use the vocabulary of prime numbers, prime factors and composite (non-prime) numbers	
Recall prime numbers up to 19	
Establish whether a number up to 100 is prime	
Measure and calculate the perimeter of regular and irregular shapes composed of rectangles	
Calculate and compare the area of rectangles (including squares)	
Estimate the area of irregular shapes in cm^2 and m^2	
	

My Learning Journey: English

<u>Objective:</u>	<u>Self-Assessment</u>
I can...	
Read, comprehend and write diary entries of different styles	
Write non-chronological reports to share with a particular audience	
Read and write haiku poems	
Use relative clauses in my writing	
Use modal verbs (e.g. should, must, will, might) to indicate degrees of possibility	
Use adverbs (e.g. perhaps, surely) to indicate degrees of possibility	

Select the correct homophone (e.g. aloud / allowed) to use in context and spell it accurately	
Choose strategies for learning spellings and use them each time I write	
Summarise the main ideas from more than one paragraph, identifying the key details which support them	
Make comparisons within and across texts e.g. compare two tales from Shakespeare	
Discuss and evaluate how authors use language - including figurative language (e.g. simile, imagery) - and its effect on the reader	
Ask questions to enhance my understanding of what I have read	
	😊 😐 😞

General Information

<ul style="list-style-type: none"> Year 5's topic for this term is called 'Home and Away'. We will use our experiences in the Quantocks during our residential trip to help us compare the geography of the region with Nailsea The children have been set a topic homework project which is due by Friday 16th November at the latest. On Friday 16th November, they will present their projects and share their knowledge of the Quantocks with the Year 4 children Year 5 will be on a residential trip at Kilve Court from 7th – 9th November. The children will take part in some walks to explore this area of the Quantocks as well as some exciting outdoor activities We will be taking part in the KS2 Carol Service at St Francis' Church on Tuesday 18th December at 7pm The Year 5 children will be leading the end of term Mass at school on Friday 21st December at 10:00am.
