General Information

What does a pirate need to know?

This term our Topic question is 'What does a pirate need to know?' Our story focus will be the picture book 'Lighthouse Keeper's Lunch' and we will be learning to tell the story aloud. The children will receive a letter from a pirate giving them challenges and tasks to complete e.g. reciting a familiar story, singing sea shanties, solving maths problems to find treasure and working as a group to cross the swamp.

As we enter the final terms in Reception, we are working towards the Early Learning Goals. Please see Class Dojo where I have attached an information leaflet to support you.

Reception will be going on a morning trip to Pizza Express (Pirates' favourite food) to learn about healthy eating and where our food comes from. We will also be having a dress-up day on the last Friday of this term to complete our Pirate challenges.

Maths stories will be sent out again during Week 2 and will be swapped on your child's reading day. Please make notes and observations at the back of your child's reading record next to the story book's name.

Please pop in and see me if you have any questions regarding your child's learning this term.
