

Term 6

Year 1

Mrs Galey

My Learning Journey: Maths

<u>Objective:</u>	<u>Self-Assessment</u>
I can...	
Measure and begin to record volume/capacity	
Compare, describe and solve practical problems for volume/capacity	
Solve division and multiplication problems by calculating the answer using counters, pictures and patterns with the support of the teacher	
Rapidly recall number bonds in 20 e.g. $16 + 4 = 20$, $20 - 4 = 16$	
	

My Learning Journey: English

<u>Objective:</u>	<u>Self-Assessment</u>
I can...	
Read pseudo (alien) words containing all the sounds taught so far (Please see support resources on class Dojo)	
Read all Year One sight words (Please see support resources on class Dojo)	
Talk a sentence through and sound out before writing about: The Tiny Seed, The Lilly Pond and The Highway Rat	
Punctuate sentences using a capital letter and full stop, question mark or exclamation mark	
Read through my own writing with others and make simple changes where suggested	
Read and write non-fiction (information) texts based on topic work	
Add 's' or 'es' to words to make them a plural e.g. boys and boxes.

<i>Monday</i>	Every other Monday – Athletics
<i>Tuesday</i>	Library Book Maths Game Exchange Dance
<i>Wednesday</i>	Mrs Healey teaches Sports coaches - cricket
<i>Thursday</i>	
<i>Friday</i>	Outdoor Learning

Welcome back to the final term of Year One! Our topic this term is **Nature Detectives**. We will be using our school grounds to learn about pond life, tree names and mini-beasts. We will all need a long stick and an old, large plain sock to make a hobby horse in week 5.

I will continue to invite volunteers into the classroom so please confirm or offer some time if you are able to embellish your child's learning experiences. Please come and see me if you have any questions regarding your child's learning this term.
