General Information

Let's Play

- Our topic this term is history based and titled 'Let's play!' The children will develop their understanding of the past by comparing 'old' and 'new' toys and looking at how they have changed in their lifetime. We will also be busy preparing for our nativity production later in the term!
- Please provide a copy of a baby photograph of your child (that we can keep).
- Year 1 school trip to Tyntesfield House on Monday 18th November. The children will take part in a workshop themed around 'Toys' and will be looking at how toys have changed over the years.
- Year One children will be hosting a museum of toys. We would like to borrow toys that you or grandparents may well have played with. Pupils will be writing an information card to go with each exhibit and then display them to the school. Parents are welcome to visit the museum on Wednesday 27th November from 2:30pm.
