General Information

- Topic: Our topic this term is history based - 'The Great Fire of London'. Children will use reliable source texts to find out about the events in London in 1666. They will compare houses and streets (past and present) and will be sequencing the events of the great fire. We will also study an important man in history (Samuel Pepys) and learn, amongst other things, what he buried in his garden.
- Wow Events: Great Fire of London dress up day - Wednesday 12th February. Children can dress as a boy/girl/man/woman from the 17th century or as a firefighter (past or present). We have lots of exciting school-based activities planned for this day!
