## General Information

Our topic this term is, 'All creatures great and small'. This will incorporate all aspects of learning but will be primarily science based.

We would like to invite family pets into the class this term so, if you have a child-friendly pet that would like to visit Year One children, please come and book a slot.

We will be visiting Golden Valley Vets to learn how vets and technology can care for our pets.

I will continue to invite volunteers into the classroom so please confirm or offer some time if you would like to embellish your child's learning experiences. Please come and see me if you have any questions regarding your child's learning this term.

Outdoor clothes, waterproofs and wellies are required for forest school on a Thursday morning. It will make it easier if the children arrive in their forest school clothes and bring in their uniform and school shoes to change back into after the session.
