Edit my own writing to improve it	
Use information from my reading to answer questions	
Research and collect information using a spider diagram	
	

## General Information

Welcome back to Term 2! For our topic work this term, we will be continuing to study 'Stone Age to Iron Age'. We will be developing our skills of being archaeologists, looking at the significance of key historical evidence like Skara Brae, and looking at the changes between life during the Stone Age and Iron Age.

A reminder that your child has an individual reading day; please make sure they have their reading book in on this day so we can read together. Please remember to practise reading, spellings and times tables with your child regularly.

### **Key dates:**
