

St. Francis' Catholic Primary School

Ensuring for all an excellent, child centred education, within a Christ-centred philosophy

The School's Mission

We Will Aim:

Through our Catholic/Christian Faith, to:

- Develop and deepen a loving relationship with God through prayer, meditation and study.
- Help each individual to become an active witness as they live out the teachings of Jesus Christ in the school, home and wider community, respecting the rights and celebrating the uniqueness of every individual as a child of God.

Through our Learning and Teaching, to:

- Strive for excellence and high achievement in all we do by providing a stimulating, appropriate, broad and balanced curriculum that is relevant and challenging to each individual.
- Develop study skills and attitudes that will encourage a thirst for lifelong learning.
- Help the children to discover and develop their individual talents so that they may be fulfilled and affirmed as children of God.
- Be a self-evaluating school.

Through professional development, to:

- Provide all members of staff with training opportunities that will enhance their personal skills, knowledge and confidence enabling them to have a positive impact on St. Francis' and the wider community of schools.

Through the school community, to:

- Continue to nurture the strong partnership between pupils, staff, parents, and governors which will reflect the high expectations to which we all will aspire.
- Foster positive links between the school, the parishes and the wider community.
- Always seek opportunities to serve as Christ did.
- Recognise and celebrate that each individual is valued and affirmed in the contribution they make.

Through the fabric of the school, to:

- To ensure that the fabric of the building and the surrounding grounds, fully supports and enhances our teaching and learning opportunities.
 - Ensure that the building is safe and well maintained.
-
