

ST FRANCIS CATHOLIC PRIMARY SCHOOL

PRIMARY PE AND SPORT FUNDING 2016-17

St Francis received £8,812 for the academic year 2016-17.

This government funding is ring fenced and therefore can only be spent on provision of PE and sport in schools.

At St Francis we aim to:

- broaden the range of activities we provide children and give them new experiences through curricular opportunities and after-school clubs
- provide opportunities for competitive school sport
- develop a legacy where all teachers are confident and competent in teaching high quality PE lessons

We will be using some of the sports funding to continue to participate in 'The Legacy Project', with Future Stars and Fitness on Track.

Teachers and pupils will be working with two qualified specialist sports coaches for some of their PE lessons throughout the academic year. This allows the teacher to observe the children more closely and work with groups of children.

Working with Future Stars enables us to offer children a variety of lunchtime and after-school clubs. Children are also offered the opportunity to participate in some professional match day experiences.

PE and Sport Activity April 2016 – August 2016
The employment of specialist athletics coaches.
The employment of specialist sports coaches to work alongside teachers in lessons for all classes.
Entry and travel costs to Level 2 competitions.

The purchase of new sports equipment for use in PE lessons.

Attend North Somerset Level 2 competition events, including transport costs.

Take part in the North Somerset schools Dance Festival

Continuing to use specialist coaches to provide curriculum support for all classes, including athletics.

Comments from Future Stars Coaches

“The teachers of St Francis’ are always engaged and keen to improve and develop their ability to deliver good quality PE lessons and continue to do so through the Legacy Project. As coaches, we were really impressed with the quality of the gymnastics produced by the Year 5 and 6 children as well as the sportsmanship and resilience shown by Year 3 and 4 during their football lessons. The use of the sports funding for the Legacy Project has allowed us to support the staff in providing excellent teaching of PE throughout the school.”
