

Newsletter ~ Term 2, Week 5

I would like to start this newsletter with a huge thank you to all the staff at school, who have been their usual adaptable, cheerful and helpful selves over the last couple of weeks, pitching in wherever needed to help the school stay up and running in very difficult circumstances. I would also like to thank Mr Tucker, who stepped in as a senior leader to support us at short notice. Mr Tucker left us on Wednesday and Mr Groves came back to school on Thursday. We are very much hoping to gradually return to normal over the next week or two.

A Message from Clevedon Parish

*Clevedon Parish are organising a Visual Carol Concert and would like children to create pictures on A4 paper, their name and age on the front.
Age 7 & under - a donkey
Over 7 - Away in a Manger
Pictures to be sent to the friary office by 10th December.*

Ofsted Update

You may have heard that Ofsted have been making non-judgmental visits to schools this term, with the purpose of understanding schools' experiences during the Covid-19 Pandemic. Our 'visit' (by Zoom) happened a couple of weeks ago and the resulting letter from Ofsted can be found on our website under 'Useful Information', 'Ofsted Remote Visit November 2020'.

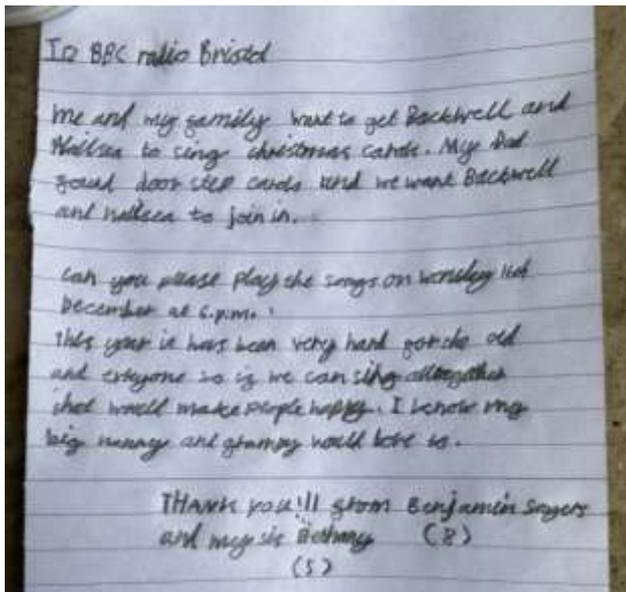

Parent and Carer Survey

Thank you to those who have already completed our safeguarding and behaviour survey. If you have not yet participated, I would encourage you to complete the survey, which only takes a few minutes, as it will help us understand your experience of the school and improve our practice. The closing date is 11 December and the link is below:

Christmas Lunch

Please find the Christmas lunch menu at the bottom of this letter. Christmas dinner will be a little different this year, with children eating in their bubbles as part of an end of term party. We will assume that children are taking up this offer unless we hear from you otherwise, so please let the office know **only if your child does not wish to have a Christmas lunch.**

Carols on Your Doorstep

Ben, Bethany and family have been helping arrange a doorstep carol service on Wednesday 16 December at 6pm. BBC Radio Somerset will be supporting this event by playing carols and if you do participate we would love to see a photo (please send via Dojo). Thank you Ben and Bethany for showing such great initiative!

School Christmas plans

Our own school plans are very subdued this year, but staff and children are working on something they are hoping to be able to share with you before the term ends. And we look forward to next year when we can resume normal service!

And Finally...

Year 6 children are doing a great job of reminding us all that we are now in the season of Advent, a time of preparation for the coming of Jesus at Christmas. Many of our usual activities (blessing of Advent wreaths, Penitential services, class assemblies) have been cancelled and we thank the children and Miss Parry for keeping the spirit of Advent alive.

Thank you to Emily for the prayer and Sophie for the art work.

In this time of Advent, help us to be just like you.
Help us to bring peace to the world.
Be with us and help us to bring joy to those who are upset.
Help us to have hope in these challenging times.
May we have love in our hearts and be able to show this love to others.
Throughout this time of Advent help us to grow closer to God.
Amen

Our high target patrol areas will include

ASB Hotspots – Millenium Park, Morgans Hill, Grove playing fields, Nowhere Woods, Nailsea and Tickenham FC, Fryth Way.

At this time the skatepark remains open and we are aware that there have been some gatherings there that have raised concerns as they contravene the rule of six. We are patrolling and monitoring when duties permit.

Please let us know anywhere else you feel would benefit from more regular patrols from the team.

Community Speedwatch

Despite the current lockdown there are still issues with speeding vehicles in Nailsea. Community Speedwatch is a way YOU can help to make drivers aware of the dangers caused by speeding and help change attitudes.

Speedwatch serves as a deterrent through the high vis presence but also as educational in that repeat offenders will receive a home visit from the beat team.

Simple training is provided and sessions can be very flexible time wise. This is a great way to contribute to the road safety of your community.

If you are interested in becoming a volunteer or need more information please contact the below -

The Nailsea Beat Team would like to thank you all for your community spirit and forbearance during these difficult times. Covid 19 related jobs have been few and far between in Nailsea and we would like to take this opportunity to thank you and wish you all a very happy Christmas and a happy and healthy New Year.

General Contact Details

Nailsea Police Station, Pound Lane, Nailsea BS48 2NN.

Non Emergencies call 101 and 999 for Emergencies.

COMMUNITY SPEEDWATCH

HOW DOES IT WORK?

- A group of local residents volunteer to monitor traffic speeds
- Vehicles travelling at excess speed will be recorded and reported to the Police
- Police issue a letter to the registered keeper
- Repeat offenders are targeted by the Police.
