School Logo News

We are hoping to unveil our new logo very soon. The previous school council did a great job of sorting through all the entries to the logo competition and in the end decided that there were elements from several designs that they wanted to incorporate into our new design. Their ideas then went off to a graphic designer relative of a staff member, who has done a brilliant job for us of including all the most important elements chosen by the children in a fresh new logo. Watch this space for further updates...

Mrs Galey is very cheerful and recovering well from her operation. She says a big thank you for the card and is hoping to be back with us as soon as possible. We have provisionally re-booked the Year 1 Assembly for Thursday 28 February at 10am, but that will depend of whether she is ready to return to school by then. Please keep the date in your diary as a provisional one.

Parents' Evenings

Thank you for attending the parents' evenings this week. The turnout was very high, as usual, and demonstrates your commitment to your children's education. If you were unable to attend, please see your child's teacher. who will arrange to see you at another time convenient to you both.

Week Beginning 25 Feb

Thur 28: Forest School begins for years 2 and 3

And Finally...

I asked some of the children in year 5 what their favourite moment of this term had been, and here is what they said:

The once-in-a-lifetime opportunity to feel like Tim Peake in the Space Dome

I love Spanish with Dr Johnson

I like philosophy because I have some big questions I can't answer by myself but the whole class work out a really hard question altogether

In philosophy it feels good for me to share my opinions and to hear others' thoughts and opinions

Going to Parliament because it was cool

Playing basketball in the playground

A friend helping me with my art work

Scratch with Mr Howarth

Gymnastics because I have learned a lot and I wish it would never end

Tasting astronaut food

Experiencing what life is like in the wild in Forest School and building dens

Starting learning how to play the piano

PHSE as now I feel I am confident to talk to anyone in the class about how I feel

This term has been so amazing and fun!

***Thank you year 5 for a very clear reminder to us all that school is so much more than the
'Three R's'***

***Have a happy and safe half term holiday
Term 4 begins on Monday 25 February***
