

Newsletter ~ Term 6, Week 1

A short newsletter this week as befits our short week here in school!

Residential Trips

Year 6 enjoyed a fabulous school camp on the Brecon Beacons and experienced very good weather and a great variety of activities. I certainly enjoyed my short time there and it was a pleasure to be with them all. We are already thinking about our residential trips next year and dates are in the diary for both our Year 5 trip to Kilve and our Year 6 trip to the Brecon Beacons.

First Holy Communion St Francis' Church 11am

Thank you to the families who are supporting our First Holy Communion children this weekend by coming along to the mass and helping with the singing. If you can come along, please do and support our children Nicola, Aoife, Isobel, Rubie, Ruby, Sophie, Maia, Chloe, Nathan and Sarah, to whom we say 'congratulations and have a wonderful day'.

Reception 18 Parents' Meeting Monday 11 June

Our induction meeting for parents of our new reception children is on Monday evening at 6.30pm. We look forward to seeing you there.

Year 6 Leavers' Mass, Thursday 14 June

Year 6 will be joining other year 6 children across the Diocese at Clifton Cathedral next week for their Leavers' Mass with Bishop Declan at 11am. As we will be returning to school late for lunch, a packed lunch will be required for all children. Children are asked to wear their smartest uniform – shirts and ties for boys and all will need to wear their jumper or cardigan. A letter with details of all events taking place for our year 6 children this term has been sent home this week.

School Photographer, Thursday 14 June

The school photographer will be in school next week taking class photographs, and single ones for our year 6 children.

Father's Day Assembly, Friday 15 June 10am

Please join us for our Father's Day celebration, led by our reception children.

Reminders

The office has asked that you return slips and permissions to school as soon as possible (including walk slips please) and our neighbours have asked that you park with consideration for them in the morning and after school. Thank you.

And Finally...

Some of our staff were in school on Monday, learning about how to make the most of play times as opportunities to develop the children's creativity, co-operative and problem solving skills and increase their resilience and perseverance, all attributes essential for good learning and for later life.

We have made a start with some 'loose parts' equipment (which is apparently the correct terminology) but we are after old tyres and tree trunks, cut into slices, which can be moved and lifted by children. Please let the office know if you can help.

A Catholic family
camp set in rural
Gloucestershire

"Our Father"

Fun times for families

Taize evening

Youth and childrens activities

Live Worship Band

Quiet prayer times
