Ensuring for all an excellent child-centred education within a Christ centred philosophy

11 November 2017

Dear children and parents

BBC Children in Need Spotacular, Friday 17 November

Year 5 children have been given the exciting task of planning the fundraising for this year's Children in Need event on Friday 17 November.

After much thinking and preparation, we have decided on the following events and activities to help raise funds for this worthy charity which helps vulnerable children all over the UK:

1. We are encouraging all children to come dressed in spotty mufti on Friday 17 November and we suggest a donation of £1 each.
2. We have an exciting range of games and activities, all planned and organised by the Year 5 children, which you can join in with throughout the day. These include helping make a giant spotty school paper chain, scoring spotty goals and decorating spotty biscuits! The cost of participating in all of these activities will be £1 in total.
3. We will be asking you to bring in lots of loose change to cover as many giant spots as we can manage – so start collecting those coppers now!
4. At 2.45pm, we are planning on holding a spotacular cake sale, which will take place in the Year 5 classroom and will continue after school until we run out of cakes! We would be very grateful for any donations of cakes which need to be brought to the Year five classroom that Friday morning. Children will not be able to attend this sale until after the end of the school day when they can come with their parents / carers, so they do not need to bring money into school for this event.

With many thanks
The children of Year 5
