Ensuring for all an excellent child-centred education within a Christ-centred philosophy

9 November 2018

Dear children and parents

BBC Children in Need, Friday 16 November

Year 3 children have been given the exciting task of planning the fundraising for this year's Children in Need event on Friday 16 November.

After much thinking and preparation, we have decided on the following events and activities to help raise funds for this worthy charity which helps vulnerable children all over the UK:

1. We are encouraging all children to come dressed in bright colours on Friday 16 November and we suggest a donation of £1 each.
2. We have an exciting range of games and activities, all planned and organised by the Year 3 children, which you can join in with throughout the day. These include guessing the name of the teddy bear, a lucky dip, scoring spotty goals, a netball shooting competition between the classes, a colouring competition and lots more! The cost of participating in each activity will be around 10p or 20p.
3. We will be asking you to bring in lots of loose change to cover a giant Pudsey bear as well – so start collecting those coppers!
4. From 2:45pm, we are planning on holding a cake sale, which will take place in the Year 3 classroom and will continue after school until we run out of cakes! We would be very grateful for any donations of cakes which need to be brought to the Year three classroom that Friday morning. Children will not be able to attend this sale until after the end of the school day when they can come with their parents / carers, so they do not need to bring money into school for this event.

It would be greatly appreciated, that if you have any small prizes which could be contributed to the lucky dip (party bag type toys), please come and see Miss Lamb.

With many thanks,
The children of Year 3
