HARVEST PROJECT 2022

Dear Parents,

Our harvest Mass will take place at 9.30am on Friday 23rd September. It will be led by Year 4 and all are welcome to attend.

To celebrate Harvest, we are continuing to raise funds for a school in Uganda to install an independent water source. This resource will help to ensure a better level of hygiene and public health for those in the school and nearby village. It will also provide water to irrigate land so the children in the school can plant fruit trees and grow crops.

After the Mass, cereal bars and chocolate bars (kit kats, penguin bars etc) will be on sale in the playground. As we can no longer collect cash in school, an item has been set up in ParentPay for you to make a donation and purchase a token for your child(ren)). A token can be exchanged for a cereal/chocolate bar.

The minimum price for a token is £1 per child but you can donate as much as you like in order to help those living in one of the poorest parts of the world. Please purchase a token for each of your children before 9am on Friday 23rd September so the vouchers can be organised and distributed in time for the sale.

Thank you to Year 4 and the school prayer team who will be providing the cereal/chocolate bars and organising the sale.

We hope you will support us with this project so we can help families in need.

With many thanks for your continued support.

With best wishes

Miss A Parry
RE Lead / Year 4 teacher
