## School Logo Design Competition

Dear Parents/Carers

Over the past year, our School Council have been working incredibly hard to revise our mission statement; it has been several years since this last happened and the children have been keen to update it and ensure it is relevant to the current community. Our mission statement 'Tree' now looks like this:

We are hard working

We believe in ourselves and others

We try every day to achieve our potential

We show respect to each other and creation

We try to make a difference in the world

We are observant

We love

We are brave

We are patient

We help others

We are generous

Alongside this, they also spent time looking at the school slogan, 'Together in Christ', and comparing it with other slogans. After careful consideration, the children felt that they would like the slogan to remain unchanged as it is a true reflection of our school and its community.

The School Council then turned their attention to the school logo. Our current logo - depicting a dove emerging from hands - has remained untouched for many years; the children felt that they would like to change it and introduce some fresh ideas. Each class then received a visit from the School Council to compare and discuss various logos and come to an agreement about what our new logo could contain.

The final list of agreed elements is as follows:

- Cross
  - Using the letters STF (St. Francis) for a logo with the 'T' appearing as a cross
    - Plants/Flowers (possibly combined with a cross)
    - People (to represent being together)
      - Holding Hands (to show unity)
      - A globe (to show unity)

The School Council would now like to launch a competition to design our next school logo! However, they would like to stress that this competition is not only open to pupils; we would like to invite **ALL** members of our community who are creative and budding artists to have a go as well.

Requirements:

- All logo designs should be drawn on the provided template and stay within the circle
- All logo designs should be produced as an outline, not coloured in
- At least one of the agreed elements should play a part of your design
- Simplicity is the key to a successful logo - we would advise against including all agreed elements

Logo designs should be completed and returned to the school office by **Friday 30<sup>th</sup> November**. If you require more templates, please ask your child's class teacher and they will provide you with additional copies.

We look forward to seeing your masterpieces!

Regards,

S Groves
