Dear Parent / Carer

I am beginning to prepare the programme for our summer music concert, which you are warmly welcome to attend. It will take place on **Tuesday 28 June at 1.30pm.**

All children who have instrumental lessons (in or out of school) are invited to play. Our own instrumental teachers will be preparing their pupils in school and we ask that you help your children practise their pieces at home. If your child learns an instrument outside school, please talk to your child's music teacher about the choice of piece to be performed and make sure your child comes and sees me well before the concert with the music and piano accompaniment (if one is needed).

Our year 2 recorder players will hopefully be able to perform for the school in the morning, but they will not be performing in the afternoon.

Because of the numbers of participants, it may be that your child will be playing in a group or pair. We will aim to give the oldest children a chance to perform as soloists.

Please email the office by **Friday 10 June** if you wish your child to participate, which instrument they play and whether they need accompanying. *Children who are singing only and not playing an instrument do not need to let the office know.* It would help with managing numbers if you would also let us know how many audience members are likely to attend. We may have to limit numbers if we are overwhelmed!

I am very excited to resume a long-held school tradition, which has had an enforced suspension over the course of the Pandemic. Music is close to my own heart and performing and hearing live music is, I consider, one of the great joys of life.

With my Best Wishes
