Mrs Catherine Hunt

Ensuring for all an excellent child-centred education within a Christ-centred philosophy

11 January 2019

Dear Parent/Carer,

The children in years 4 and 6 have received an invitation to attend St Bede's Catholic College's annual Science Lecture, which they open to all their partner Primary Schools, on the afternoon of Thursday 17 January.

The lecturer will be Tim Harrison, who makes Chemistry come alive with his highly visual and exciting demonstration. This year the title of the lecture is Gases in the Air. I am sure the children will be just as enthused as previous classes

We will be leaving school by coach at 12.20 pm, returning to school by 3.15pm. Normal lunch arrangements will apply and school uniform should be worn.

We will need a few volunteers to assist with this trip, please let either myself or Mr Groves/Miss Townsend know if you are able to help.

Best wishes,

Angela Parry
