20th October 2022

Dear Parents

Year 5 Geography Fieldwork Trip to Bristol, Wednesday 23 November

To support the children with their Geography learning in class we will be visiting Bristol for a fieldwork trip. We will start at Howells and the Underfall Yard, where we will be met by volunteers and given a tour of the yard, demonstrations of the machinery and attend a 'tides of Bristol' workshop. We will have lunch in the Education Centre. Following this, we will walk to the Suspension Bridge and stop to sketch the gorge and the River Avon. We will have a guided tour of the visitor centre where the children will learn about the history of the Suspension Bridge.

Our trip will take place on **Wednesday 23 November**. Children will need sensible foot wear (trainers or walking boots), wet weather gear (waterproof coat and trousers). If the weather is cold it will be a good idea to wear lots of layers as they will be spending most of the day outside.

We will leave at 9.00am and will be back in time for the end of the school day. Please provide your child with a packed lunch and water bottle in a backpack.

To enable this trip to go ahead, we are requesting a voluntary parental contribution of £15.70 to cover the cost of the workshops. If sufficient contributions are not received, the trip may not be able to take place. Please make payment through your ParentPay account by **Monday 7 November**.

With thanks and best wishes

Mrs Andrews
