17 January 2023

Dear Parents

Years Reception, 1, 5 & 6 will be welcoming a return visit of the Space Odyssey to school in February.

Space Odyssey – Friday 3 February

Year 5 and 6 will be lucky enough to experience the Space Odyssey planetarium when it returns to school later this term. For Year 5, this is a wonderful opportunity to experience the Space Dome for the first time and learn more about our wonderful universe.

Year 6 will be taking part in a “Darwin’s Mystery of Mysteries” workshop. The learning that takes place inside the planetarium will support the current Science topic on Evolution & Inheritance. Inside the planetarium, the children will watch a breath taking film following Darwin on his voyage of discovery, helping to bring this exciting topic to life!

In addition to visiting Years 5 and 6, Reception and Year 1 will be joining in on the experience and getting a chance to visit the Spacy Odyssey planetarium. For Year 1, this is a fantastic opportunity to dive deeper into their topic ‘Where do I come from?’ and provides them with a chance to think about what else surrounds them and their planet.

We are using some of the Friends Class Grant to partly subsidise this visit. To enable this visit to go ahead, we are requesting a voluntary parental contribution of £6.00 to cover the cost of the day. If sufficient contributions are not received, the visit may not be able to take place. Please make payment through your ParentPay account by 31 January.

Yours sincerely

S Groves
