

## **Future Stars @ St Francis**

Future Stars are excited to announce that we will be providing Breakfast Club and Wrap Around Care at St Francis Primary from September 2021.

Breakfast club will run from 7.45am until the start of the school day and then wrap around follows on from the end of the school day until 5.30pm, with the option of a 4.30pm pick-up. Our Breakfast and wrap around clubs provide the children with a wide range of fun engaging activities such as Multi Sports and Arts and Craft.

Breakfast club will take place in the Out of Hours classroom. There will be a member of staff on the gate from 7.45am – 8am, to welcome you in. After 8am the gate will be closed to allow children access to outdoors play safely. From 8am onwards there will be a mobile number displayed on the gate which you can contact the coaches on and they will come and meet you. Breakfast is served until 8.30am and the children have the option of toast, crumpets, cereals and orange/apple juice. Alongside the breakfast will be the opportunity for the children to get involved in either some team games – fun warm up games, football, parachute activities, or to sit quietly for some drawing, board games, Lego or read a book. This gives the children time to prepare for the day ahead, and have some fun with their friends before school starts. At 8.40am children are dismissed from the club and will be taken to their classrooms by the coach.

For Wrap Around children are collected by the coaches and walked through the school to the classroom/hall. The children will have access to board games, drawing and books, whilst everyone is arriving, and then a register will be taken. After registration the children will be given the option as to which activity they wish to take part on. Thanks to your responses to the schools survey we have put together a timetable of activities that will be happening across the week. These will be reviewed and changed Termly to ensure we are providing a wide range of activities that your children enjoy. For Term 1 the activities will be;

Monday	Tuesday	Wednesday	Thursday	Friday
Multi-sports	Football	Gardening	Gymnastics/Dance	Cooking

Alongside these activities there will also be the option for free play outside so the children can create their own games using their imagination and team work, and inside there will always be Lego, board games and arts and craft projects going on. There will be something for everyone, and the coaches will always accommodate to all the children's interests and abilities.

At 4.30pm they will be offered a healthy snack consisting of ham/cheese wraps, crackers, fruit, salad and a drink. After snack the children will be given the option to carry on with the activity they were taking part in before snack or take part in something new.

Collection will take place from the main school gates. On arrival please contact us on the Mobile number provided and a coach will get your child ready for you. On collection the coach will ask for a signing out password for safeguarding.

Wrap Around is a great way for your children to have the opportunity to get active or relax after a long day at school and enjoy some time with their friends in a fun, safe and friendly environment.

To book your child on to either of these sessions go to [www.futurestarscoaching.co.uk](http://www.futurestarscoaching.co.uk) and follow the links to our dedicated booking system. When booking your child on for their first session it will ask you to provide all information about your child such as age, medical or dietary requirements, who will be collecting and a signing out password. These will then be saved for each booking and coaches will have access to the relevant information to safeguard your child and ensure any individual requirements are being met. The system is very user friendly, however if you have any problems then call the office on 01275 867128 and a member of the office team will be able to help you.
